

BENGLASSLAW

Settlement Checklist

- Total medical bills (full bill, not "insurance rate")
- Total lost wages (before sick leave)
- Future medical bills estimate (and medical support for future bills)
- Future wage loss estimate (and medical support for wage loss)
- Crash photos
- Police accident report
- Injury photos
- Insurance reimbursement / lien information
- Research validity of insurance reimbursement
- Jury verdict / settlement reports from the jurisdiction
- Total liability insurance available
- Total uninsured / underinsured insurance available
- Have all med pay or PIP benefits been collected
- All medical records
- All past medical records related to associated body parts
- All disability policies (will settlement affect other benefits?)
- Medical narrative statements regarding connection of past medical injuries to current accident
- Will health care providers owed money take a discount
- Review Ben Glass Law database of past verdicts and settlements

Important Information: This is a general checklist used by our car accident specialists. This is not legal advice about your case. Each case is different. If you would like to talk about your case, visit BenGlassLaw.com or call us 703-591-9829
